ACADEMIC EXCELLENCE IN BOARD EXAMINATIONS

Nurturing Success Through Dedication and Excellence

Academic excellence has always been a cornerstone of our institution's vision. Over the years, our students have consistently demonstrated outstanding performance in board examinations, reflecting not only their hard work and determination but also the unwavering commitment of our teachers and the support of our parent community.

We believe that success in board examinations is not achieved through rote learning alone. It is the result of a carefully nurtured learning environment where curiosity is encouraged, concepts are understood deeply, and every student is empowered to realise their full potential. Our dedicated faculty members employ innovative teaching methodologies, regular assessments, personalised guidance, and continuous mentoring to ensure that each learner receives the support they need to excel.

Special focus is given to strengthening conceptual clarity, developing analytical thinking, and building confidence through structured revision programmes, doubt-clearing sessions, and practice examinations. This holistic approach enables students to approach board examinations with confidence and resilience.

The consistently impressive results achieved by our students stand as a testament to this collective effort. Yet, beyond percentages and ranks, we celebrate the spirit of perseverance, discipline, and lifelong learning that these achievements represent.

At our school, academic excellence is not merely measured by examination scores; it is reflected in the growth, confidence, and character of every learner. We remain committed to fostering an environment where students are inspired to strive for excellence, embrace challenges, and emerge as confident individuals prepared for the opportunities and responsibilities of the future.

It was first held on April 22, 1970. To create awareness among everyone, different cultural programmes were kept such as-dance, music,yoga etc. To raise the voice against pollution and to make our environment clean and green our students held the placards on the stage.

As we know due to the extreme uses of plastic, the elements of Earth (like air, water) become polluted. So, in our school by celebrating this day we tried to grow a little concern about our Earth by promising to bring 3R's and plantation.

The programme was ended with a short speech by our respected Principal ma'am and national anthem.

Rath Yatra, also known as the Festival of Chariots, is an annual Hindu festival celebrated primarily in Puri, Odisha, and other parts of India, as well as globally. As per description in the Skanda Puranas, among the twelve Yatras of Shree Jagannantha Ratha Yatra is the most famous one. The festival commemorates Lord Jagannath's journey from the Jagannath Temple to the Gundicha(Aunt's) Temple and back. The image is placed in a wagon so heavy that the efforts of hundreds of devotees are required to move it, and it is dragged through deep sand to the country house of the god. The journey takes several days, and thousands of pilgrims participate. Generally Ratha Yatra takes place every year on the second day of the bright fortnight of Ashadha (June–July).The construction of the Rathas starts on the Akshaya Trutiya day.

This year Rath Yatra had celebrated on 27th June and continued for nine days until July 5th. Our school also celebrated the festival on 27th June 2025, Friday . Students of our school also participated in various events relating to this festival.

The event began with a speech on the significance of the Rath Yatra and it was explained to the students, enriching their understanding of this important cultural festival. Students performed an Odia song and skit based on Shree Jagannantha Ratha Yatra. Then our students were performed Odissi dance and song as a tribute to Lord Jagannath. Adding to the festive atmosphere, some students dressed up as the three deities of the Rath Yatra: Lord Jagannath, Subhadra, and Balabhadra. Their colorful costumes and vibrant performances brought the festival to life, captivating the audience and enhancing the overall experience.

The program was concluded by the Vote of Thanks given by Principal Ma'am. At last we all sang the National Anthem to conclude our program. We heartily thank all the students and members of DPS family to make the whole event spectacular and engaging.
